June 17, 2009

Chairman Jim Dickinson called the meeting to order at 6:06 p.m. Trustees Jim Mueller, Kristina Port and Zoning Inspector Ric Machnics were present.

This was a special workshop meeting called for the purpose of reviewing the proposed 2010 budgets for the Zoning Department. This meeting was properly sunshined and reading of minutes and other formalities were dispensed with until the next regular meeting.

Mr. Machnics reported that he had received the annual renewal of his Storm Water Inspector Certificate from Certified Erosion, Sediment and Storm Water Inspector, Inc. The Ohio and Federal E.P.A recognizes this certificate. He requested the Township pay the certificate's fee.

The Zoning Department has checked "outfalls" and the list has been given to Geauga Soil and Water and the Geauga Health Dept.

The Zoning Inspectors continue to attend County Zoning Inspector meetings. They also continue to attend Zoning Seminars and Training meetings.

Zoning's biggest challenge is to educate the public on zoning rules.

Mr. Machnics felt the office facilities for zoning were adequate.

Upon the motion of Mr. Mueller and seconded by Ms. Port the meeting adjourned at 6:48 P.m.

Respectfully submitted,

Jim Dickinson, Chairman

Gerri Heck,  
Fiscal Officer
